Building Interactive 3D Characters and Social VR

Making Your First Virtual Reality Game

UNIVERSITY
OF LONDON

May 3, 2024

Chirayu Tongra

has successfully completed the online, non-credit Specialization

Virtual Reality

This specialisation from the University of London will introduce you to virtual reality. Virtual reality is one of the highest demand skill sets in the jobs market, and this specialisation will give you an introduction to the subject and key skills in the field. You will hear from world-leading lecturers and industry experts, use Unity to develop your own VR environment, and end the specialisation by creating your first VR game.

Dr Marco Gillies PhD
Cantab

Dr Sylvia Xueni Pan PhD

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
