Chirayu Tongra

has successfully completed the online, non-credit Professional Certificate

Meta Android Developer

This Professional Certificate teaches learners top Android programming languages and frameworks. By completing this program, learners are able to create their own Android application and publish it to the Google Play Store.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
